

100 Presentations to Premier Club

How to Participate:

1. You must have seen Marlene Balingit present the **100 Presentations to Premier, listened to the CD or watched the webinar** (You can order her CD, **100 Presentations to Premier** from www.x1tools.com. We will be adding her webinar to www.mccarthycentral.com.)
2. There is an **exclusive e-mail list** for **100 Presentation Club Members** only.
3. There is a **monthly conference call** for support, accountability and to share success stories and challenges.
4. There will be a **major reward dinner** for the first **Premier** to emerge out of this 100 Presentations to Premier Club in the Harrison Organization, (if you are out of town, Priscilla and Jim will fly you in).

(PS: Mike and I will do the same for the first person from this Club to go Premier on our team, but outside of Priscilla's team. That way you will have the same opportunity. If not on our team put together an appropriate prize for your Club winner with your team leaders.)
